6th September 2019

Dear Parents,

Homework, routines and other information for Year 3/4

Welcome to a new school year at Springfield. This letter provides information on routines, visits and topic work etc. for your children.

Topic work

The topics we are working on this term are entitled 'I am Warrior' This will have a history focus and we will be researching and learning about aspects related to the Romans. After half term, our topic is science based and is called 'Mighty Metals'. Please see the project overview for more details.

At the end of our topic, we will be having a Roman day, where the children will have the opportunity to come to school dressed as a Roman and will take part in a battle re-enactment.

In science, we will be learning about sound.

P.E.

Mrs Forman – Monday and Tuesday

Mrs Stanforth– Wednesday and Friday

Miss Harrison – Tuesday and Thursday

Please ensure that your child has the appropriate PE kit with them on these days (**black shorts and their house colour t-shirt**). PE lessons will sometimes take place outside so it would be advisable for the children to have trainers, long tracksuit type trousers and a warm sweatshirt with them also. On PE days, please ensure that your child has removed their earrings and that long hair is (or can be) tied back.

Homework

We will have a half termly homework menu, which will include a range of fun and interesting activities. The children can choose which of them they would like to complete. We will provide the children with a homework journal, which we will collect during the term to share regularly in our class.

Spellings

Children will be given spellings to learn on Fridays for a test the following Friday. Your support in helping children to practise their spellings would be much appreciated.

Reading

It is most important that your child continues to read on a regular basis, about **10 -15 minutes per day**. This forms an important part of their homework and will significantly impact on their progress in all subject areas. Your child will be given either a reading book from our reading scheme or a library book of their choice to bring home each Friday. When you read with your child, please ask them questions to ensure they understand what they have read and make a note in their reading record of any difficulties they have had. Suggestions about the type of questions that you might ask are given on the inside cover of their reading record. Reading books should be returned weekly or at least fortnightly depending on the length of the book.

Maths

The children are expected to know the 3, 4 and 8 times tables by the end of Year 3 and have instant recall of all times tables by the end of Year 4. Please practise a range of tables regularly to support them.

If you have any questions, please feel free to contact your child's class teacher.

Yours Sincerely,

The Year 3/4 team
